ON DEAFDIGEST

It was published in DeafDigest Dec 26, 2014

- deaf club membership dues

Membership dues at hearing clubs can be real expensive - somewhere between \$250.00 and \$1,000 and even higher. The Pittsburgh Association of the Deaf, one of the nation's most respected deaf clubs, recently posted a list of its revised membership dues. To make it short, for active members it is \$45.00 per year. It is a huge bargain as compared to other hearing clubs and hearing societies. Yet, it is sad that some deaf people feel that \$45.00 is VERY expensive! These same deaf people don't complain that Starbucks can be more expensive.
