The lanterns which were lit by candles, floated on Willow Water lake in the dark. A lovely sight. 2 lanterns were for **Frank Benedict** who passed last [May 23rd](#) and the other 2 were for **Mildred Durette** who passed on June 12, 2011 (or 2012).

CAR STUCK

On Sept 14, After Cingo, **Ruby Keen** was looking for car key but couldn't find it. Lucky, she have extra car key. Why she is lucky ? Because she was supposed to give extra key to her son-in-law on that week but she didn't. WHEW ! **Leon & Sharon French and Ann Benedict** walked with **Ruby** to parking lot to check if her car keys are sill in car. Yes, it was in car and found out that car kept running all night. Guess What ? car wasn't locked. Thank God No one stole her car. She tried to start car but unfortunately, it won't start. So, **Ruby** couldn't find her AAA card so she texted her son-in-law and found out that he have it. She explained him that her car wont start. He called AAA for her and found out that she will have to wait for about 1-2 hrs. Somehow, Police came and won't get out of his car. So, **Leon** got out of his van but policeman still refuse to get out of police car. So, policeman called other police car for back up. Gee...2 more police cars came. Police lady was more tough and went to **Ruby** and ask for key. **Ruby** went to her car and tried to start car but still won't start. Police lady brought her Battery jump cable. They tried to start but still no luck. So, **Ruby** texted her son in law, Jimmy and informed him about polices are there and won't start car. So, he and Tita came all the way to Deaf club from Falmouth, Ky. Bless them that they were willing to come. Jimmy brought better jump cable and started car. Yay! It started. They finally left Deaf Club. **Ruby** wanted to thank **Leon and Sharon French and Ann Benedict** for staying with her until everything ok. It was Ruby's first experience.
